

Curriculum (Teaching) Information

The curriculum which the Archdiocese uses is from the Circle of Grace program. "The goal of the Circle of Grace program is to educate and empower children and young people to actively participate in a safe environment for themselves and others."

The Holy Spirit's Religious Education program also teaches the Circle of Grace program. It is taught towards the beginning of the school year. Paper copies of each individual grade's curriculum are available through the Church's Director of Religious Education, Gerri Hough, 376-9435, Ext. 309, or e-mail ghough@holyspiritmustang.org.

This is not a sexuality education program. However, it is completely within your rights to refuse the teaching of this program to your child. Should you refused to allow your child to participate in the formal program, you will be asked sign a form indicating this.
